

Style Crest unveils revolutionary line of HVAC indoor comfort products

FREMONT, Ohio, February 13, 2012 -- Style Crest®, Inc. announces the launch of a complete line of revolutionary HVAC products under the brand name Revolv™.

Revolv represents the sum of Style Crest's mobile home HVAC expertise, assembled under a single brand, and includes split-system air conditioners and heat pump condensers, indoor coils, furnaces, line sets, compact-package coil cabinets and accessories. Revolv advanced indoor comfort products are exclusively engineered for the mobile/manufactured housing industry.

"The new Revolv name brings with it a revolution in indoor home comfort for both new construction and replacement applications," said Mark Nowotarski, vice president of marketing. "Revolv is unique because of its whole-system approach - delivering faster and easier installation, improved energy efficiency and long-lasting performance."

Revolv's most significant differentiator is its complete AccuCharge™ Systems that deliver a factory-precise refrigerant charge, so installers are no longer forced to spend hours in the field balancing air conditioning systems.

The AccuCharge Systems are comprised of an advanced family of technology called Smart Components™, including Revolv coil, Revolv condenser, Fit-Right™ fittings and line sets, each specifically engineered for increased efficiency and reliability. When integrated, the complete system attains higher levels of performance.

Product Manager James Zuehlke said, "AccuCharge promotes improved efficiencies, performance and savings for both installers and homeowners."

The expansive Revolv brand also includes standard systems such as sweat-fit coils and condensers, furnaces and fitting accessories.

Style Crest is a 42-year leader in supplying high-quality building products to the residential construction industry. Whether it is providing a creative service platform or bringing distinctive new products to market, the Style Crest focus is to develop workable, attractive business opportunities for customers and vendors. The Style Crest Team believes shared commitment leads to shared success. For more information, call 800-945-4440 or visit www.stylecrestproducts.com and click on *What's New*.
